Supporting Documents

Please ensure you submit all the relevant original documents that you want the Entry Clearance Officer to see when considering your application. The UK Immigration Rules make it clear that it is your responsibility to satisfy the Entry Clearance Officer that you are genuinely seeking entry to the UK for the purpose and duration that you have stated. Submission of particular documents does not guarantee that your visa will be issued. It is your decision how you satisfy the Entry Clearance Officer that your intentions are as you state in your application. It is your choice which documents you submit. Further guidance on supporting documents can be found on the UKBA web pages.

Your photograph must be:

- Colour
- Passport style and size (45mm high x 35mm wide)
- A recent and true likeness, showing full face, with no hat, helmet or sunglasses, although you can wear everyday glasses
- Original that is not digitally or optically altered (for example it must not be 'photoshopped' or 'touched-up')
- Taken against an off-white, cream or light grey background so that your features are clearly distinguishable against the background
- Printed on low-gloss, plain-white photo-quality paper (with no watermarks or embossing)

Photographs that do not conform to these standards will be rejected and may cause a delay in processing your application.

Advisory:

To know your Customs obligations when travelling to the UK, please consult Notice 1, found at www.hmrc.gov.uk.
